

October Field Trips

The background of the entire graphic is a photograph of several shorebirds, likely sandpipers or similar species, standing in shallow, rippling water. The birds have mottled brown and grey plumage and long, straight bills. Their reflections are visible in the calm water. The overall tone of the image is a soft, hazy blue.

Ensley Bottoms

Saturday October 3 at 7am
led by Ryan Pudwell

Ensley Bottoms

Saturday October 3 at 7am

Meet at the TO Fuller State Park Visitor Center at 1500 W. Mitchell Rd Memphis, TN 38109 we will carpool/caravan from there.

Eagle Lake Refuge

Saturday October 17 at 7am

Meet at the gate <https://maps.app.goo.gl/9YmcnRfaaUFt14T16>

located on a short road in the 4900 block of Benjestown Rd Memphis, TN 38127

Nonconnah Creek at Halle Stadium

Sunday October 18 at 1:30pm

Park between the football and baseball fields we will meet under the trees to the right of the main baseball field. <https://maps.app.goo.gl/QPn59PoVkpZm56zT8>

Halle Stadium is located at 2602 Mt Moriah Rd Memphis, TN 38115

Long pants, bug spray, and boots are recommended. One of the better pockets of habitat for birds at this location requires crossing the creek so footwear you don't mind getting wet or that will keep your feet dry is essential. This outing is not recommended for people with serious mobility issues.

Wolf River WMA/Ghost River SNA

Saturday October 31 at 7am

Meet at the Barn approx. 2100 Beasley Dr. Moscow, TN 38057
